# CAFE

*More than coffee & food...  
we restore hope.*

Community Matters Cafe serves as an extension program to Charlotte Rescue Mission, a nonprofit transforming lives in Charlotte by providing residential drug and alcohol recovery programs at no cost to those struggling with the disease of addiction.

After completing the recovery program at Charlotte Rescue Mission, graduates have the opportunity to apply for the Life Skills Program at Community Matters Cafe.

This 6 month extension initiative prepares graduates for getting back into the workplace and teaches them a variety of life skills in both a classroom and cafe environment.

When you visit our cafe, you are not only reinforcing the life skills our students are learning, but you are showing them that they have a community that believes in their future.
